£40 - 60

53

**A Coronation (Police) Medal, 1911**, to the Royal Irish Constabulary, un-named as issued; **a Victory Medal**, awarded to 1615 PTE.S.PICKERING. W.RID:R. (2)  
£70 - 100

54

**A Second China War 1856-60 Medal**, awarded to DAVID KAY 26TH REGT, (officially impressed). Sold together with professional research material including a copy of his Service Papers and extracts from the Muster Rolls  
\*\*His Service Papers show that he transferred from the 26th Regiment to the Royal Canadian Rifles while serving in Canada and took his discharge from them. The extracts from the Muster Rolls show that, with the 26th Regt, he served in the 1st China Wars, but was with the Royal Canadian Rifles during the 2nd China Wars. This leads one to believe that the above medal could be a late claim or a reclaim for a lost medal, and issued in error for an 1842 Medal, as he would probably have been awarded a clasp for the second conflict  
£280 - 350

55

**An Ashantee Medal 1874**, awarded to W.CARDEN, ORD, H.M.S.TAMAR, 73-74, sold together with research material including Service Record, Description Book of HMS Tamar, Certificate of Entry for Boys signed by his father 14th October 1863

\*\*William Luke Carden entered service on HMS Vincent 1863, he served on five other ships before being incarcerated in Breakwater Gaol, Cape Town in 1871. He returned to service on the Tamar in January 1873. He was discharged from service in April 1877  
£280 - 350

56

**A Crimea Medal**, awarded to C.RING,SEAMAN. H.M.S.ALGIERS, lacks suspender claw and ring; **a 1914-15 Star**, to T1-4228, CPL.A.A.FORD. A.S.C.; **a British War Medal**, to 11885 SGT. T.W.EDWARDS. R.W.FUS., lacks suspender ring; **a German Mother's Cross**, a 1939-45 War Medal, a British Empire medallion, another medallion and two various badges (9)  
£80 - 120

57

£150 - 180

346

**An Early Executioner's Type Axe**, the 33cm by 19cm curved iron blade with square socket secured to the elm square section haft by three blacksmith made nails, the haft with a single strengthening band, 78cm (possibly 17th Century)  
£100 - 150

347

**A Copy of a Roman Gladius**, with 52cm double edge spearpoint steel blade, carved wood hilt and brass mounted leather scabbard  
£50 - 80

348

**An 18th Century Indo-Persian Steel Mace**, the small split lobed globular head and octagonal upper haft incised with diagonal bands alternating with dot inlaid decoration, with plain cylindrical lower haft, 52.5cm  
£100 - 200

349

**A 19th Century Fijian Ula (Throwing Club)**, the globular head with seven natural crevices, on a slightly waisted haft and chevron carved grip, the slightly flared butt with recessed panel, 38cm  
£150 - 250

350

**A 19th Century Indian Talwar**, with 72cm single edge curved and tapering steel blade, the steel hilt with baluster grip and tapering langets with trefoil finials, with dome and disc pommel; **a 19th Century Indian Talwar**, with 76cm single edge broad curved steel blade, the steel hilt with bar langets and spiked disc pommel (2 - lack scabbards)  
£60 - 80

351

**A Zulu Knobkerrie**, of dense hardwood, with large globular head, the tapering cylindrical haft bearing marks where a band of woven metal wire would have been placed, 54cm  
£90 - 120

352

**A 17th Century Indian Pulwar Sword**, the 76cm single edge deep curved steel blade with space set narrow fullers, inlaid and engraved with script, the iron hilt with down-curved crossguard, baluster grip and disc shape pommel, lacks scabbard (af)  
£200 - 300

353

**An 18th Century Indian Bichwa**, the 18.5cm double edge recurving steel blade with shaped strengthening plates to the forte inlaid with silver foliate scrolls, the hilt with knopped grip, crescent shaped pommel and curved knuckle bow, all inlaid with silver foliage, with black cloth covered wood scabbard  
£300 - 400

354

**An Arab Jambiya**, the curved double edge steel blade with raised medial ridge, the waisted horn grip and leather scabbard with silver filigree decoration  
£150 - 180

355

**A Malayan Kris**, the 35cm triple wave steel blade with two shaped fullers to each side, the horn garuda hilt carved with foliate scrolls, with bronzed metal foliate cast mandak, with flame figured wood scabbard  
£300 - 400

356

**A Nepalese Kukri**, with dot and loop engraved curved steel blade, wood hilt with white metal butt plate, with leather scabbard  
£40 - 60

357

**A 19th Century Indian Fakir's Crutch**, the curved armrest with down-turned finials, with baluster neck and tubular haft with ovoid foot, 62cm  
£100 - 150

358

**An 18th Century Indian Pata (Gauntlet Sword)**, the 76cm straight double edge steel blade with raised medial ridge to each side and with swollen tip, each side of the ricasso set with engraved strengthening straps, the short gauntlet hilt with a ridged central plate flanked by four shaped bars in the form of a mythical beast, with two straight tapered side bars joined by two baluster knopped grip bars  
£250 - 300

359

**A 19th Century Khyber Knife**, with 59cm T section steel blade, the brass hilt with horn grip and bone pommel, the tooled leather scabbard with foliate embossed brass mounts; **two Kukris**, one with plain blade, the other with foliate engraved blade inscribed W C GILBERTSON RASC, each with brass mounted horn hilt and leather scabbard set with a utility knife and a sharpening knife (3)  
£120 - 180

360

**A 19th Century Indian Katar**, the 21cm double edge tapered blade with swollen tip and two fullers to the upper section, the hilt with slightly concave tapered side bars inlaid with silver flowerheads, joined by two similarly decorated baluster grip bars, the red velvet lined steel scabbard pierced with birds and foliage  
£150 - 250

361

**A 19th Century Turkish Yataghan**, the 52cm single edge T section curved steel blade inlaid with foliate rosettes, diapering and script in silver, with reinforcing plates to the ricasso, the two piece horn grip rivetted to the tang and with eared pommel, with leather scabbard  
£120 - 180

362

**A Late 18th/Early 19th Century Caucasian Quaddara Style Kindjal**, the 68cm single edge broad steel blade with three graduated fullers to each side, etched with intricate scrolls and tendrils, one side impressed with two crescent moons and a dove, the two piece horn grip with a steel elliptical and two raised boss rivets, with brass and steel scabbard, one side engraved with foliage  
£150 - 250

363

**A 19th Century Caucasian Quaddara**, the 50cm double edge steel blade with three narrow fullers to each side, one side half blued and divided by three gilt circles, with tendril etched decoration, the two piece horn grip with steel pique borders, with steel mounted leather scabbard; **a Copy of a Russian Military Short Sword or Kindjal**, the 43cm double edge fullered steel blade stamped with a Russian eagle and 1916, with wood hilt and brass mounted leather scabbard (2)  
£180 - 250

364

**A 19th Century Caucasian Qama**, the 44cm double edge steel blade with two foliate etched narrow fullers to each side, the marine ivory hilt and leather scabbard with nickel mounts  
£200 - 300

365

**A 19th Century Caucasian Quaddara**, the 58cm double edge steel blade with three faint script etched narrow fullers to each side, the two piece horn grip with two raised steel rivets, with silver mounted velvet covered wood scabbard  
£100 - 150

366

**A Late 18th/Early 19th Century Nepalese Kora**, the 47cm heavy curved single edge steel blade the broad tip with two concave curves, the steel hilt with disc guard and pommel with baluster finial, plaited and diapered string bound grip, the leather covered scabbard with open back edge  
£250 - 350

367

**A Tuareg Telek**, with 40cm double edge steel blade, with cruciform wood and brass hilt with cap pommel, the leather scabbard with red and green tooled decoration and with wristband; **a Very Similar Telek**, with 43cm steel blade; **a Sudanese Kaskara**, the 83cm double edge steel blade with waisted squared off tip, the cruciform hilt covered in foliate punch decorated sheet steel, with leather scabbard (3)  
£150 - 200

368

**An Arab Jambiya**, with double edge curved steel blade, the horn hilt and leather scabbard with foliate embossed and filigree silver mounts; **a Moroccan Jambiya**, the curved steel blade stepped double edged towards the tip, with ribbed wood grip, brass domed pommel and scabbard engraved with diapering; **a Small Kindjal Type Knife**, with etched and silver inlaid blade, wood grip and brass mounted leather scabbard; **a Small Indian Knife**, with mother of pearl grip; **two Indian Daggers**, with bone grips, brass and white metal scabbards (6)  
£180 - 250

369

**An Indo-Persian Jambiya**, the 23cm double edge curved steel blade with raised medial ridge, the ricasso engraved with a lion attacking a deer, with plain steel hilt and scabbard; **a Very Similar Larger Jambiya**, with undecorated blade; **a Small Jambiya**, with curved blade pierced and inlaid with copper dots, with white metal hilt and brass scabbard; **another Smaller Example**, with horn hilt and brass scabbard; **an Arab Knife**, with undulating scroll decorated single edge blade, the horn grip inlaid with brass wire, with leather scabbard (5)  
£100 - 200

370

**An Afghan Lohar**, the 12.5cm curved steel blade inlaid with copper roundels, folding into the diaper engraved brass haft which further folds into the bone and horn grip, hung with three wool tassels; **a Very Similar Afghan Lohar**, with folding blade and fixed bone grip (2)  
£150 - 200

371

**A Persian Qajar Double Headed Axe**, with crescent shape blades centred by a square tapering spike, on a tubular haft, 91cm; **a 19th Century Indian Axe**, with broad leaf shape blade, the tang projecting from a square block surmounted by a short spike, on a tubular haft with globular pommel, 72cm (2)  
£150 - 200

372

**An Indian Axe**, the slender blade pierced with diapering, cruciform panels and a trefoil panel, inlaid with copper, with red and black painted wood haft, 81cm; **an Indian Axe**, the down-curved blade engraved with bands of scrolls and inlaid with brass, with faceted wood haft, 54cm; **an Indian Iron Axe**, with small curved blade and tubular haft, 69cm (3)  
£150 - 200

373

**Three Indian War Axes**, two with moustache shape blades, one with crescent shape blade, each with a wood haft (3)  
£100 - 150

374

**An 18th Century Arab Nimcha**, the 66cm European steel double fullered steel blade engraved with martial trophies, the steel hilt with down-curved quillons, angular knucklebow and horn saw-handle grip, with velvet covered scabbard; **a Similar 19th Century Moroccan Nimcha**, with 79cm single edge fullered steel blade, the brass hilt with horn saw-handle grip, with leather scabbard (2)  
£100 - 200

375

**A 19th Century Malayan Klewang**, the 46cm single edge steel blade with squared off tip, the scroll carved wood grip bound with vegetable fibre, with similar binding to the wood scabbard; **a 19th Century Arab Saif**, the 53cm single edge curved steel blade broad and double edged at the tip, the silver covered hilt applied with three foliate rosettes to each side, and with hooked pommel, with leather scabbard (2)  
£150 - 200

376

**Three Mahratta Bichwa**, each with curved steel blade, two with looped steel hilt, one with brass looped hilt (3 - one lacking scabbard)  
£70 - 100

377

**An Indian Knife**, with straight steel blade, foliate embossed eared hilt and scabbard; **four Various Other Knives**, with brass, white metal and leather scabbards (5)  
£100 - 150

378

**A 19th Century Indian Talwar**, the 74cm single edge broad Khanda type blade with a central narrow fuller to each side, the steel hilt with long langets, baluster grip, recurving knucklebow and disc shape pommel, lacks scabbard; **an Indian Talwar**, with curved blade, the steel hilt with baluster grip and disc pommel, with leather scabbard (2)  
£120 - 180

379

**A 19th Century Eastern Sword, possibly North Indian**, the 63cm heavy single edge curved broad steel blade with punched decoration of two bands of scalloping, the brass mounted hilt with steel disc guard and pommel and bone grip, with foliate carved wood scabbard; **a Dao Type Sword**, with 43cm double edge pointed steel blade, wood grip and one sided scabbard (2)  
£120 - 180

380

**A Chokwe Axe**, the small fan shape blade with strengthening bars and stepped conical tang inserted into the spurred pommel of the slightly curved hard wood haft, 48cm; **a Zulu Chief's Short Wood Staff/Club**, the pommel carved as a head with inset diamante eyes, with short curved arms, to the tapering haft, pierced for a wriststrap 44cm (2)  
£80 - 120

381

**Two African Spears**, one with broad leaf shape blade with medial ridge, folded socket, wood haft with steel spiked butt, the other with elongated leaf shape blade and wood haft (2)  
£50 - 80

382

**An Australian Aborigine Carved Hardwood Parrying Shield**, of deep red/brown colour and slightly warped elliptical form, the front with stone tool incised decoration of bands of diagonal lines and loose diapering, the reverse with integral carved handle and further decoration of burred serpentine and geometric bands, 80cm by 14cm  
£250 - 350

383

**A 19th century Javanese Kris**, with 34cm nine wave damascined steel blade, the gilt metal globular mandak set with rosecut stones, the wood grip carved with interlaced scrolls, the wood scabbard covered in white sheet metal, one side chased with shells and foliage  
£150 - 200

384

**A 19th century Nepalese Kora**, the 53cm single edge broad curved steel blade with raised medial ridge to each side, the brass hilt with disc guard and pommel and blue and orange ric-rac type braid bound grip, lacks scabbard  
£300 - 400

385

**A 19th Century Malaysian Moro Kris**, the 56cm nine wave double edge steel blade inlaid with leaves, the wood grip with silver collar and pommel, with brass bound two piece wood scabbard  
£100 - 150

386

**An 18th Century Persian Jambiya**, the 37cm double edge recurving steel blade with arabesque engraved decoration, the later copper pistol grip hilt with string bound grip, lacks scabbard; **a 19th Century Surgeon's Knife**, with single edge steel blade and nickel grip stamped DOWN ENGLAND, and engraved O.T.S., with a later scabbard (2)  
£150 - 200

387

**A Malaysian Parang**, the horn pistol grip handle with finger grooves, with two piece wood scabbard; **an Eastern Kindjal**, the curved double edge steel blade with raised medial ridge, with horn hilt and embossed leather scabbard; **a Zulu Knobkerrie**, with globular head and curved cylindrical haft; **a Zulu Chief's Staff**, with ovoid head (4)  
£150 - 250

388

**A 99th Gurkha Brigade Presentation Kukri**, the curved steel blade with foliate stipple engraved decoration to the ricasso, the horn grip with chromed mounts, the leather scabbard with silver plaque engraved 'Presented to Captain P. Laverack by the Officers HQ 99 Gurkha Infantry Brigade 1969'; **a Malayan Kris**, with short wavy blade and wood garuda hilt, the wood scabbard set with a presentation plaque 'HADIAH KENANGAN 2 DARI COY.HQ. AMDB'; **a Punan Hardwood Blowpipe**, of tapering cylindrical form, 166cm, purchased by the above from Punan natives January 1972 (3 - each with typed short biographical note)  
£120 - 180

389

**A 656 Squadron (Army Air Corps) Presentation Kukri**, the curved steel blade with scalloped engraved decoration, the horn grip with nickel mounts, the maroon velvet covered scabbard with silver mounts pierced and embossed with a tiger and scrolling foliage, set with AAC badge and a plaque engraved 'Presented to Major P. Laverack by 656 Sqn. Aug.76'; **a Similar Smaller Kukri**, the scabbard with a plaque engraved 'Presented to Captain P.Lavarack from all ranks 99Bde. HQ & Sig.Sqn.' (2 - each with a short typed biographical note)  
£180 - 250

390

**A 19th Century Indian Peshkabz**, the T section steel blade with diapered etched decoration, the white metal hilt engraved and enamelled with flowerheads and leaves and with bone grip scales and 'ear' pommel, the sheet brass covered scabbard stamped with foliage  
£150 - 250

391

**A 19th Century Polynesian Adze**, the grey hardstone blade secured to the wood haft with twisted sennet, 58cm  
£300 - 400

392

**A Large Ironwood Pole Club**, of rounded cylindrical form, tapering to a point at each end, the grip pierced and bearing remains of a leather pommel, 75cm, possibly South Sea Islands; **a Zulu Knobkerrie**, with globular head and short cylindrical haft, 41cm (2)  
£150 - 200

393

**A Collection of Forty Four Early Knapped Flints**, including British, North American Indian and African examples, contained in a green baize lined glazed oak display case  
£100 - 150

394

**A Large Indian Kukri**, with brass mounted hardwood grip and leather scabbard set with sharpening and utility knives; **a Leather Cover Swagger/Knife Stick**, with single edge fullered steel blade; **a Palm Wood Self Bow**, and three bamboo arrows with barbed steel heads; a Stiletto Dagger, with triangular section steel blade, shaped brass crossguard and ring turned grip (7)  
£50 - 70

395

**A 19th Century Rajistan Knife**, the 35cm recurving steel blade with slightly bevelled edge, the hollow steel pistol grip with traces of engraved decoration, lacks scabbard; **a 19th Century Indian Peshkabz**, the horn and brass eared grip with pique decoration, with leather scabbard; **a Similar Smaller Peshkabz**, with bone eared grip and leather scabbard (3)  
£200 - 300

396

**A 19th Century Khyber Knife**, the 59cm T section steel blade with a narrow fuller to the back edge, with brass, ebony and bone grip and brass mounted wood scabbard  
£100 - 150

397

**Three 19th Century Indian Talwars**, each with draw-back steel blade, two with baluster grips, disc pommels and scroll knucklebows, one with no knucklebow, complete with scabbards  
£150 - 200

398

**A Late 18th/Early 19th Century Indian Talwar**, with 78cm draw-back steel blade, the steel hilt inlaid with flowerheads and tendrils in silver, one quillon missing; **a 19th Century Indian Talwar**, the steel hilt with scroll knucklebow (2 - lacks scabbards)  
£100 - 150

399

**A 19th Century Indian Peshkabz**, with T section recurving steel blade, the curved brass hilt with mother-of-pearl grip scales and jade type pommel, with leather scabbard; **a Matching Smaller Peshkabz**, with leather scabbard (2)  
£150 - 250

400

**An 18th/19th Century Indian Bichwar**, the 18cm double edge recurving steel blade with raised medial ridge, the parcel gilt guard and knuckle bow as a dragon with scroll tongue, lacks scabbard  
£250 - 350

401

**A Late 19th/Early 20th Century Caucasian Kindjal**, the 42cm double edge pointed steel blade with three narrow fullers to each side, bearing faint traces of scroll etched decoration, the horn grip set with two silver inlaid steel bosses, the green leather scabbard with similarly decorated steel mounts  
£250 - 300

402

**A 19th Century Ceylonese Sword**, the 65cm single edge curved steel blade with loose brass mount to the ricasso, the copper stirrup hilt inlaid with stylised foliage and insects in silver, with bone grip and brass beast head pommel, lacks scabbard  
£150 - 200

403

**An Early 19th Century Islamic Sword**, the 78cm single edge curved steel blade with a narrow fuller to the top edge and inlaid with Islamic script and symbols in brass and silver, with steel crossguard and langets, with horn pistol grip, lacks scabbard  
£500 - 700

404

**A 19th Century Indian Talwar**, with 68cm curved steel blade, the steel hilt with disc pommel, lacks scabbard (af); **an Indian Small Brass Dhal**, of convex circular form, with a central star boss within a border of six similar smaller bosses, 30cm diameter (2)  
£70 - 100

405

**A 19th Century Indian Pesh Kabz**, with straight T section steel blade and horn grip scales, lacks scabbard; **an Arab Jambiya**, the horn grip with pique decoration, with leather banded hide scabbard; **an Indian Jambiya**, with dark horn grip and leather scabbard (3)  
£80 - 120

406

**A 19th Century Fijian Ula (Throwing Club)**, the large globular head with seven natural crevices, inlaid with crescent moons and stars in bone, the tapering cylindrical haft with chevron band carved grip, 39cm  
£700 - 900

407

**A 20th Century Solomon Islands Dark Hardwood Throwing Club**, the eight lobed globular head set with white metal flowerhead studs, the neck inlaid with whirls and chevron bands in mother of pearl, with wicker bound grip, 39cm  
£100 - 150

408

**An Australian Aborigine Boomerang**, with shallow groove decoration, one side rounded, 49cm; **a Dogon Wood Ladle**, with oval bowl and pierced figural carved handle, 33cm; **a Carved Wood Model of a Boat**, with upturned prow, the sides inlaid in white pigment with geometric motifs, 105cm (3)  
£60 - 80

409

**A Yoruba Dance Club**, the curved head carved as the bust head and shoulders of a man with combed coiffure and pursed lips, painted blue, on a natural tapering cylindrical haft, 70cm; **a Zulu Knobkerrie**, with small globular head and long tapering cylindrical haft, 80cm (2)  
£100 - 150

410

**A North American Indian Style Throwing Club**, with off-set globular head and tapering haft with stone tool carved decoration, 50cm; **a North American Indian Hide Quiver**, with a double band of laced hide to the upper edge and integral hanging strap (2)  
£100 - 150

411

**A Pair of Benares Brass Shields**, each of formal domed shield shape with folded edge, intricately engraved and enamelled with flowerheads and tendrils, with four domed star rivet heads securing the cushion backed handle straps, 38cm by 28cm  
£50 - 80

412

**A Modern Indian Damascened Steel Bow**, of two sections screwing together at the swollen grip, the whole decorated with inlaid silver flowers and tendrils, 83.5cm;  
£100 - 150

413

**A Large Native Root Wood Club**, the root ball head with lobe carved decoration, with cylindrical haft, possibly Fijian, 121cm  
£180 - 250

414

**A Solomon Islands Wood Club**, of light honey colour, the ovoid head with eight raised nodules inset with daisy head type panels of mother of pearl (one missing), on a stout tapering cylindrical haft, 39cm  
£70 - 100

415

**A Modern Indian Steel Walking Stick**, of octagonal sectional form, inlaid with foliate scrolls in silver, with ferocious beast handle, 97cm  
£100 - 150

416

**A Modern Indian Jambiya**, with single edge curved damascened steel blade, the grip and scabbard mounts with silver foliate inlaid decoration  
£80 - 120

417

**An Australian Aborigine Fighting Stick**, of flattened curved form, one side slightly domed, 79cm  
£80 - 120

418

**An 18th Century Indian Talwar**, the 64cm single edge curved steel blade with a broad fuller and two narrow fullers to each side, the nickel silver cruciform hilt with floriform quillons to the crossguard, ribbed grip and baluster pommel, lacks scabbard  
£100 - 150

419

**An 18th Century Indian Talwar**, the 82cm single edge curved steel blade with narrow fuller partially engraved with diapering, one side incised R/SLK 25, the steel hilt with shaped long langets, swan head knuckle bow and disc pommel, lacks scabbard  
£80 - 120

420

**An 18th Century Indian Talwar**, the 76cm single edge curved steel blade with three narrow fullers, the iron hilt with traces of silver foliate inlaid decoration, with disc pommel, lacks scabbard  
£80 - 120

421

**An 18th Century Indian Talwar**, the rare 86.5cm straight double edge steel blade with shaped strengthening plate to the ricasso, the iron hilt cast with foliate diapering, with fluted S scroll knuckle bow and disc pommel, lacks scabbard  
£100 - 150

422

**A Late 19th/Early 20th Century Arab Jambiya**, with raised medial ridge to the double edge curved steel blade, the waisted horn grip and green baize backed scabbard with silver coloured metal mounts embossed with foliage and with woven panels  
£100 - 150

423

**An 18th Century Sudanese Kaskara**, the 87.5cm double edge steel blade with three narrow fullers running half its length and stamped with two crescent moons, with chamfered crossguard and later wood grip, lack scabbard; **a Similar Kaskara Blade**, 88cm excluding tang (2)  
£70 - 100

424

**A 19th Century Fijian Ula**, the globular head with five natural crevices, the tapering cylindrical haft with traces of native woven sennet repair, 40.5cm (Splits to haft)  
£100 - 150

425

**A 19th Century Chinese Bamboo Cosh**, each weighted end covered in tightly woven string, 31cm  
£70 - 80

426

**An 18th Century Sinhalese Piha-Kaetta**, the heavy 21cm single edge steel blade engraved and inlaid along the back edge and ricasso with leaves and tendrils in silver and brass, the rib with a band of overlapping leaves, with richly scroll tooled and engraved brass strengthening plates extending to the ivory grip with similar carved decoration and copper pommel, the groove carved wood scabbard with copper mount at the throat  
£300 - 400

427

**A Baule, Ivory Coast Carved Wood Maternity Figure**, standing with high double domed and combed coiffure, coffee bean eyes and mouth, her arms hanging by her sides, wearing a modesty apron and carrying an infant on her back, on a square plinth, 95cm  
£250 - 350
